CHRISTMAS MUSIC AT THE CHURCHES

Splendid Programme at St. Rose Church—The Mozart Orchestra to Assist Choir—Music at Trinity. Sunday School Exercises at Berean Baptist Church—Other Programmes.

The tidings of "Glory to God and Peace on Earth to Men of Good Will," will be proclaimed with joyful music in the church of St. Rose and Trinity Episcopal church to-morrow. While the spirit of the day will be felt by every congregation, it is only those two churches which will have splendid religious services in observance of this great feast of Christendom.

At St. Rose Church. In the Catholic church, Christmas is the greatest feast in the calendar. The services, therefore will be in keeping with the day's importance. The only day in the year on which a high mass is sung at an early morning hour is Christmas day. In accordance with this custom, a solemn high mass will be sung, commencing at 6 o'clock.

There will be special music at this service, as well as the chief service, at 10:30 o'clock. The Mozart orchestra will supplement the church choir, which will be directed by Prof. S. V. Stockman and Prof. William E. Lyman will direct the orchestra. Mozart's seventh mass will be sung. This will also be the programme at the 10:30 mass. The only change will be in the opening chorus, "Holy Night," will be sung at the opening mass and "Vespers" arrangement of "The Adagio Fidelis," at the 10:30 service. The sermon at the late mass will be delivered by Rev. Father Bader, of the order of Redemptorists.

At Trinity Church. Christmas is likewise one of the most important feasts in the Episcopal church. The services will begin at 8:30 o'clock in the forenoon. As customary, there will be special music. Llewellyn E. Jones, the director of music, has arranged the following programme, which will be rendered by the choir:

- Voluntary, Violin and Organ. Adagio Fidelis. Gloria Tibi. Kyrie. Nuncie Creed. Introit. Offertory, "The Christmas Star." Neidinger. Sarsum Corda. Sanctus. Agnus Dei. Gloria. Mozart's Twelfth Mass Postlude, Violin and Organ.

A Christmas Tree. The Christmas entertainment of the Sunday school of Trinity will be held in the parish house this evening at 7:30. A play will be given under the direction of Miss Peuckert. At its close the tree will be lighted and the candy and presents distributed.

At the Berean Baptist Church. The Berean Baptist Sunday school has made elaborate preparations for the presentation of the Christmas cantata, in which one hundred of the members of the school will participate. The cantata is entitled "Santa's Surprise," and in its rendering there will be "Dollie Girls," "Fairies," "Telele Boys," and "Sailor Boys," general and musical cordial. There will be no charge for admission, notwithstanding the large expense involved, but a silver offering will be taken, that all may have an opportunity to express their appreciation of the school's effort. The exercises will begin promptly at 6:30 o'clock.

DUE APPRECIATION. William J. McDonough Appointed Collector for Krantz Brewery. Sheriff Charles Armbruster, of Wayne county, who has filled the position of collector for the Krantz brewery in this city, for the Pennsylvania Central Brewing company, resigned Monday preliminary to removing from Honesdale to Mauch Chunk, where he will manage a hotel, which he conducted some time ago.

The genial sheriff's successor is William J. McDonough, a well known Carbondalian, whose hustling qualities fit him well for the position. Mr. McDonough has represented the big Bartel Brewing company, of Kingston, in this city for six years and was a big factor in making their product universally popular hereabouts. The Bartel people were loth to let him go and offered him tempting inducements to remain. The position here, however, was too good to see glide. The Krantz brewery will, it is safe to say, feel the effect of Mr. McDonough's influence in this territory. He will conduct the business of the Crystal Lake Ice company as heretofore.

AT BOX BUILDING. Young Lady Workers of M. E. Church to Sell Handkerchiefs. The young lady workers of the Methodist church had a good many handkerchiefs left from their sale of last week and have also received several more since the sale closed. They would like to dispose of them and will have them for sale at the Box building on Church street this afternoon and evening. The sale offers inducements to seekers of holiday gifts.

THE HOOKS' COMMITTEE. The Young Men Who Will Hustle the Fair Details. The personnel of the committees of the Hendrick Hook and Ladder company fair enterprise, now hustling the arrangements, is as follows:

General manager, A. L. Sahm; general secretary, John H. Burke; assistant general secretary, William McFater; general treasurer, J. Russell Jones; advertising committee, A. L. CHRISTMAS DAY AT THE HOSPITAL

The Woman's Auxiliary Board Has Planned an Entertainment and Festival to Cheer the Depressed, Sick and Wounded.

In accordance with the happy custom established last year, the woman's auxiliary board of Emergency hospital will provide an entertainment tonight that will help to make the unfortunate sick, who can not spend the blessed feast with their loved ones at home feel less the distressing fact that they are deprived in a way from participating in the joys and pleasures of the day. There will be the usual Christmas tree with its gifts for either the patients or the attaches of the hospital, as the occasion is intended for all. Merchants who have anything to offer or any person who cares to send a remembrance, are requested to bring or send them to the Leader office not later than 9 o'clock tomorrow morning.

There will be an entertainment with many pleasing musical numbers to cheer the patients. It is expected that Rev. R. A. Sawyer will deliver the address. The exercises will take place in the afternoon in one of the large wards. Only the members of the staff and the board can attend the exercises, as there might be too much excitement for the patients of the institution was general, and a large number responded.

The women of the board earnestly appeal to the thoughtful generosity of the public in providing for the Christmas dinner. The gratitude of the patients and the thought of having brightened this feast for them ought to be due compensation for the charity bestowed.

BRAVE DRIVER BOY.

He Rescues a Companion from Drowning in Powderly Mine by Displaying Rare Presence of Mind. A lad about 15 years old, named Carden, of the South Side, engaged as driver at the Powderly mine, fell yesterday from his car and fractured a leg. The boy dropped into a pool of water and would soon have been drowned but for the quick action of his companion, another lad whose name could not be learned, who grabbed Carden and held his head above water, but was unable to pull him out. The boys were in part of the mine far away from the men. Carden's companion did not dare leave him to go for help and it was useless to call.

With rare presence of mind he unthinkingly the mule which was pulling a trip of cars and started him loose down the gangway. When the mule appeared at the outer workings without car or driver, the men realized that something was wrong and hastened to the scene of the accident, where they found Carden and his brave rescuer and brought them to the surface.

AMUSEMENTS. "At Atlantic City" Was Funny. Frank Willis, of the old Wills-Henshaw-Ten Broeck combination, and his company of comedians opened at the Grand last night with the skit "At Atlantic City," to remain for three more performances, including a Christmas matinee.

Last night's piece was quite frothy, and was productive of a good deal of mirth. Willis' funny antics were the best thing of the night. Next to him was "Skates," the bellboy, who was quite funny. Numerous specialties were introduced, which contributed greatly to the night's entertainment. Those who enjoy a laugh—and who doesn't?—will be kept busy while at the Grand tonight or tomorrow afternoon or evening.

"Two Old Crooks" is the attraction this evening; "At Atlantic City" tomorrow afternoon, and "Jolly Hoolligan" tomorrow night.

The Diagram Opened. The diagram for Miss Mildred Holland's new production at the Grand on Friday evening, opened last night. Miss Holland is to bring to this city for her annual engagement her magnificent new production, "The Lily and the Prince," which was specially written for her by Carina Jordan, and in which she appeared in Buffalo last April with such signal success. A large amount of money has been invested in scenery, costumes, furniture and electrical effects, the period of the play admitting of the possibilities in this respect. Our theatre-goers will no doubt extend to Miss Holland a royal welcome on this her first appearance in her new production here.
